Marketing Lancashire is the agency charged with promoting the county on a national and international stage, working in the interest of a prosperous Lancashire. We reinvest all our partner fees into promotional activity for the county to develop Lancashire into a leading leisure, learning and business destination for domestic and international visitors, to enhance the national and international reputation of the county and promote sustainable economic development and growth. Lancashire has one of the largest economies in the Northern Powerhouse, with over 55,000 businesses generating £34 billion per year.

Visit Lancashire is the official tourist board for the county and a division of Marketing Lancashire. We work closely with VisitBritain, VisitEngland and a wide range of public and private sector agencies. Our activities in marketing and communications, commercial membership and place marketing are all designed to grow the visitor economy and develop the destination as a great place to visit, work and invest.

Christmas Campaign

Calling all Lancashire attractions, retailers, events, accommodation providers and places to eat. The Lancashire Christmas Campaign returns for 2024 with a bang!

It's never too early to start thinking about the big Christmas push. This is a magical time of year with friends and families of all ages looking to entertain generations and create more fun filled memories as well as sourcing those all-important Christmas gifts. We know the best place to create those festive memories and find the perfect present is of course Lancashire.

This year we will be promoting Lancashire's fantastic businesses with a three-month campaign that includes a digital festive guide as well as social, email and campaign pages on VisitLancashire.com. Partners can also choose to give their profile a boost with paid social via Visit Lancashire social channels.

In 2023 our dedicated Christmas and Christmas partner pages on VisitLancashire.com received 229,485 views. The online guide had 53,766 page link impressions with an average read time of 2 minutes.
